I'm a junior front-end web developer with Proven experience developing consumer-focused websites using HTML, CSS, Bootstrap, JavaScript and React.js. I have a good knowledge of the best practices for web design, user experience, and speed, I'm looking to gain more technical and soft skills to achieve my goals as a web developer.

## EDUCATION

Faculty of Computer and artificial intelligence, Benha University

Sep 2018 – Jun 2022

Bachelor of Scientific Computing department

## WORK EXPERIENCE

### Software Programming Instructor Self-Employed

06/2023 - Present,
